CONFERENCES DEDICATED TO MY WORK

Department of Brain and Cognitive Sciences, Massachusetts Institute of Technology.
June 8, 2023: "From Linguistic Fieldwork to Linguistic Theory: Studies in Honor of Daniel L. Everett," organized by Ted Gibson, MIT BCS.
Departamento de Filosofia, Universidade Católica de Pernambuco. **Linguagem, Sentido e Ação na Obra de Daniel Everett**. Danilo Vaz-Curado R. M. Costa,

Gerson Francisco de Arruda Junior, José Marcos Gomes de Luna and Eleonoura Enoque da Silva, organizers. UNICAP (Universidade Católica de Pernambuco), Pernambuco, Brazil. (This conference and the book of the same name are based on my work.)

Institute of Linguistics (IYAz) of the Russian Academy of Sciences (RAN), a roundtable dedicated to a discussion of my book *Don't Sleep, There are Snakes*, Moscow, Russia. February 21, 2017.

'Where idealizations fail: grammars as cultural artifacts,' keynote at the *International Conference on Space, numerical systems and color terminologies: Theoretical approaches and empirical analysis*, University of Vienna, Austria. (Conference designed around my work.) October 9, 2010.

Language: The Cultural Tool, Tel Aviv University, sponsored by the Cohn Institute and the Department of Philosophy, dedicated to a discussion of my book, *Language: the Cultural Tool*, April 02 and 03, 2012.

Grand River Forum, Wilfrid Laurier College, Toronto. A three-day series of lectures, artwork, drama and classes on *Don't Sleep, There are Snakes*, 2012.

JOURNAL ISSUES AND ARTICLES DEDICATED TO MY WORK

Article in *Linguistic Inquiry*, 2007, pp 239-285, Hyde, Brett. Issues in Banawá Prosody: Onset Sensitivity, Minimal Words, and Syllable Integrity. Hyde's study takes a detailed look at the implications of my work on prosody in Arawan languages for phonological theory.

Article in *Natural Language and Linguistic Theory*, 2005, pp595-653, Gordon, Matthew. A Perceptually-Driven Account of Onset-Sensitive Stress. This article focuses on my work on the sound system of Pirahã and other languages and the implications for both phonetic and phonological theories.

Special 20th anniversary issue of Pragmatics & Cognition (2013) dedicated to my 2012 book, **Language: The Cultural Tool**, edited by Professor Marcelo Dascal, Department of Philosophy, Tel Aviv University.

GENERAL AUDIENCE BOOK ABOUT MY ROLE IN SCIENCE

2016. Tom Wolfe. *The Kingdom of Speech*, Little Brown and Company. In this, Tom Wolfe's last book, Wolfe considers what he labels as two of the most important controversies/conflicts in the history of science, A. Wallace vs. C. Darwin and D. Everett vs. N. Chomsky. A documentary about Wolfe's life is being produced and the director came to Bentley in July 2020 to interview me about the book and Tom's grasp of science.

MEDIA AND ARTS

Documentaries and films (about my research)

"The Mission," Documentary on the life of John Chau, by National Geographic, in which I am the main interviewee about the nature of missionaries and their "calling." Many interviews for this, including at the Telluride Film Festival, the Hollywood Premiere sponsored by National Geographic, and the Hot Springs Film Festival.

"Radical Wolfe," Documentary about the life of Tom Wolfe, in which I am in the credits and on camera as a subject of Wolfe's last book.

'The Grammar of Happiness'. Essential Media, Smithsonian Channel, Arte France, Australian Broadcasting Corporation. 2012.

Arte Germany's "Titel, Thesen Tempermente Beginning". 2010.

Theater: Don't Sleep, There are Snakes. Play based on my book by Simple 8 Theatre Company. Spring 2016 at the Park Theatre, London, England.

Opera: Libretto for the Family Opera Initiative's 'The Three Astronauts', additional funding needed before opening (project cancelled).

TEACHING EXPERIENCE

Undergraduate

Introduction to Linguistics; Structure of Portuguese; Phonetics and Phonology I; Phonetics and Phonology II; Grammar I; Grammar II; Field Methods (Given in the Amazon); Freshman Studies 1; Aspects of Language; Introduction to Linguistics; Introduction to Syntax; Introduction to Phonology; Morphology; Languages of the World; American Indian Languages; Introduction to Cultural Anthropology; Introduction to International Relations; Amazonian Linguistics; Linguistic Field Methods; Phonological Theory' Introduction to Phonology; Morphology and Syntax; Research Methods for Postgraduate Students; The Culture of Business; Language and Gender; The Evolution of Human Behavior; Cross-Cultural Understanding.

Graduate

Introduction to Syntax; Advanced Syntax; Introduction to Generative Phonology; Field Methods; Writing for Publication; Advanced Syntax Seminar on Reference in GB, HPSG, and LFG; Morphology; Advanced Phonology; Wari' Grammar and Writing; Descriptive Grammars; History of Linguistics; Phonology and Phonetics; Evolution of Language; Endangered Languages; Seminar in Recent Advances in Formal Linguistics; Prosody Workshop; Linguistics and Noncognitivism: A Nonproblem of Carnap and Wittgenstein

DEVELOPMENT AND FUNDRAISING

Founder of the Advisory Council for the Arts and Sciences at Bentley University, a group of 35 outside professionals that meets bi-annually to discuss new initiatives in curriculum, student support, research, and the integration of the Arts and Sciences and Business.

Close collaboration with Bentley's Office of University Advancement to raise funds and make friends for Bentley University among various types of constituencies (parents, alumni, interested third parties, and so on).

Founder of Alumni Advisory Board for the Department of Modern Languages, Illinois State University. This was the first effort in that department's long history to establish a connection with alumni.

25 years of experience as a fund-raiser in different non-profit organizations.

THESIS ADVISING

PhD's:

'Recursion in Pirahã' (working title), by Eugenie Stapert, University of Manchester. (Not completed due to my relocation to the USA)

'Ergativity in Suya-Kisedje' (working title), by Agnese Foresti, University of Manchester, in progress (funded by Arts and Humanities Research Council). (Not completed due to my relocation to the USA)

'Diglossia in Cyprus: Investigation in the Domain of the Internet,' by Christiana Themistocleous, University of Manchester. 2009. Christina is currently Lecturer in Linguistics at Cambridge University.

'Information Structure in Lexical-Functional Grammar: the Discourse-Prosody Correspondence in English and Serbo-Croatian,' by Rob O'Connor, University of Manchester, 2004 (co-advisor with Prof. Kersti Börjars).

'The Phonologies of Ban and Eleme,' by Isaac Dube, University of Manchester.

'The Induction of the Lexicon and the Early Stages of Grammar,' by Rick Kazman, Carnegie Mellon University (Ph.D. in Computational Linguistics), 1991.

'A Parallel Model of Human Parsing,' by Edward Gibson, Carnegie Mellon University (Ph.D. in Computational Linguistics), 1991.

Note: I have served as a committee member on a large number of theses and dissertations in various departments at the University of Pittsburgh, including Hispanic & Portuguese, Anthropology, Philosophy, Psychology, and Computational Linguistics, and the University of North Dakota.

MA's:

'Intonation and Information Structure in Wari,' by Ingrid Turner, University of Manchester, 2006. (Ms. Turner accompanied me to the Amazon to conduct this research.) (Involvement ceased upon leaving Manchester)
